

How To Create Outfits For Paper Dolls Using Wet Painting and Tissue-Paper Staining.

Materials

Jar/container of water

Paper dolls/watercolour paper

Watercolour paints

Paintbrushes

Apron

Table covering/newspaper

Colourful tissue paper

Pinch of table salt (optional)

Water Spray (optional)

Wet Painting Using Watercolours

Paint your template with water.

Drop some watercolours onto your wet template (using a brush or your finger) and watch the colours spread out and bleed.

Add some more colours....

EXTRA: Add a pinch of salt to your wet paints and watch new patterns form...

Colour Staining with Tissue-paper.

1.

Cut/tear some colourful pieces of tissue paper and cover your template with them.

2.

Gently spray/paint over your tissue paper with water.

3.

Leave your artwork to dry for 20 minutes (and make a few different colour versions whilst you wait).

Remove the wet tissue-paper and see what patterns have been created.
